The Rothschild Leveler Method

First of all, thank you for watching my interview on “Build a Magnetic Network,” with my friend Jerry Chen. As many of you already know, I didn’t want to teach this stuff because it is quite frankly DANGEROUS in the wrong hands. You’ll know why I said that in the next few pages.

Before we get into it, I’d like to make sure that you know we’re real people and that you know how to get a hold of us. You may want to make sure you are already following Jerry and me on Twitter & on Facebook. There is No EGO here so when you follow us...we will follow you back GUARANTEED.

I watched the interview and realized that even though we spoke and gave stories, I didn’t reveal too much of the actual “**Rothschild Leveler Pattern**” because we were having such a great time and kept jumping from topic to topic.

So as a Bonus Supplement, I asked Jerry to send this out to the folks that joined us on the show and nobody else. You deserve additional free training because you tuned in and that tells me that YOU want to succeed and move up in life.

This is a quick summary of the Interview and **NOT a transcript of the interview**.

To receive additional **FREE Video Training Modules** sent to you on this subject and the complete version of “The Business Codex & Manuscript Report,” go now to my site and request it: <http://youbecomethebank.com> Yes it’s FREE! 😊

I’m PISSING OFF the FAKE GURU’s out there as I give this information out FREE of charge! **Some of them would gladly charge you \$2,000 for inferior information!**

In the next few minutes I will answer the following questions:

1. What exactly is “**The Business Codex?**”
2. How can I use “**The Rothschild Leveler Pattern?**”
3. **Does this Info Apply to a Home Based Business or Network Marketing?**

Let me begin by asking you a question.

“**Have you ever met someone that had a really good business idea or someone that wanted to achieve great things and fulfill a dream in their life...and they were STOPPED COLD by not having the MONEY to Start the Business, or the CASH to buy the necessary inventory or tools to make it happen?**”

Read on...because I have just solved their biggest challenge!

Enter The Business Codex, What is it? It’s a complete **Money Getting System** that includes Step by Step Corporation Building Techniques along with Subconscious Reprogramming! It is so powerful that I stopped teaching the process a couple of years ago. I paused presenting my Seminars & Boot camps because some of my students were raising cash for the wrong reasons.

Imagine having all the **Money you need**, in order to Fund your Passion and spend your days doing exactly what you **love to do**. See yourself spending your days on your own terms with the **people who you love and doing it in style.**

Sounds good right?

Next..Imagine someone who was BROKE all their life, with a POOR Money Consciousness, and SUDDENLY they have Several Hundred Thousand Dollars or Millions of Dollars at their disposal? **What do you get?**

ABSOLUTE DISASTER! Unless you do something about it!

That's why I created **The Business Codex**, you see, I realized that some of my students did NOT have the Proper "**Mental Wealth Foundation**," so instead of taking the money they had raised using the "Codex" and Leveraging it to create MORE...they'd go out and buy all the things that **BROKE people** usually associate with having money, like the \$225k Red Ferrari, the \$35k Patek Phillipe Watch, The \$258k Bentley Arnage, and all the other Material things that they THOUGHT they wanted.

I even had a student spend \$320,000 to buy a **Luxury Suite at The Staples Center** with the money I helped him raise under his Corporation.

He was a Lakers fan and it didn't matter that the **Suite was \$320k for the Season** because it was worth it to HIM as long as he could IMPRESS all his friends and invite girls to the games.

He did it, but it was for all the wrong reasons.

Oh yeah, I forgot to mention that those students and Clients who bought all the Stupid stuff with their money are STILL BROKE, Some of them Bankrupted their companies and others have MAJOR Problems with the Federal Government and with the IRS.

How and why did they FAIL?

They did not listen to ALL my strategies, they became "Know it alls" and some of them have since launched companies that teach people "**Business Credit Building**" or "**Corporate Credit Building**," and the sad part is that they lead people to disaster. Why? They never achieved REAL SUCCESS, they ARE disasters & FAILURES in my opinion. **They only know enough to get people into trouble.**

These are the same people that would laugh when I would teach them one of my methods in the Codex, that I call the "**Prosperity Paradox!**"

Being Prosperous has NOTHING to do with MONEY, Yet you NEED money like you need OXYGEN because we operate under the Federal Reserve System.

I elaborate on that in the full report available for free at:

<http://youbecomethebank.com>

So should we ask, **Why do Businesses FAIL?** or **Why do People FAIL in Business?**

Ask the Government, SBA, or anyone on the street and you will pretty much get the same answer. **They Run Out of MONEY.** Sure there are other factors involved like poor planning, poor marketing etc, but the CORE REASON is usually **Lack of Funding.**

I don't take individual private clients anymore, but when I did; their investment would be \$25k for a block of eight hours. I'd always be booked 6 months in advance. In that timeframe, I would produce the necessary paperwork to form a Corporation and get their **New Corporation** to a position where it could get funding under its own Business Credit Profile. Often times we used very little or **NONE of my Clients' Personal Credit Guarantee.**

The reason that I charged so little was because, I didn't need a lot. I didn't need their money and it represented so little money in my world. But at the same time, I realized that **people NEEDED this info** because without it...they would inevitably FAIL! Like most businesses continue to fail today.

So it was almost like they would invest One Dollar and get a Million in return...if they implemented.

Here's the secret to how they FAILED.

Their entrepreneurial "**Mental Wealth Foundation**" was never built correctly or is not there at all!

Can you imagine having the ability to raise tons of cash in a short period of time? Money that you can use to Start Up or Expand your Business and finally live your life on your own terms?

Would YOU like to be able to Fund your Dreams and Passions for a change?

Picture yourself right now with \$53 Million Dollars in your local Bank Account!

Do you think your Posture and Physiology would change as you walk through life doing everyday things with your family? Going to the Movies, Grocery Store, or to the Gym?

Would your Confidence change when recruiting someone?

Throughout history The Rothschild's have always been known to have lots of cash and be a family of major influence. Their family fortune has NEVER been audited and estimates state that the family fortune is valued around **\$150 TRILLION DOLLARS today!**

They don't qualify for the FORBES Richest People List. They don't play the silly competitive games. **They just OWN the Banks and Control Nations.**

Mayer Amshel Rothschild said in the 1700's:

"I care NOT who runs and Creates the Laws of a Country...as long as I Control their Currency."

So if you're going BIG in business and you have a desired outcome to make a difference by being **WEALTHY and not just RICH,**

Who better to model than the richest family on the planet?

You see it doesn't matter whether you think they're EVIL or LUCKY. Regardless of your impression of The Rothschild's, they're still WEALTHY and will continue to be. They understand COMMERCE and LEVERAGE. I will teach you this.

How can I use “**The Rothschild Leveler Pattern,**” in my Business Today?

The Business Codex enables you to **LEVEL the Playing Field** and use THE SECRETS of the Globe’s most Powerful Families and **Model their STRUCTURES** in Business and Family Foundations. So the **Money stays with your children for generations to come.** You learn to play the game like they do it. If you do and act exactly like someone else does, you should have a similar result. In this case we’re striving for excellence in our financial houses. Later you still need to address your Health, Spirituality, Relationships and Other Structures. You need to be balanced in all.

It all begins with your “Mental Wealth Foundation,” we need to reinforce the POSITIVES and **release the NEGATIVE PROGRAMMING that was fed to our brains as children and by our Limited Thinking Friends.**

How Good Is Your MENTAL WEALTH FOUNDATION?

Is Your MIND full of Trash, Self Limiting Beliefs, or Negative Emotions?

Are You Built on Unstable Ground?

Get Ready to Reinforce Your MENTAL WEALTH FOUNDATION & Build Your True Life!

It's up to YOU to decide what kind of FOUNDATION you want to build your own business empire on and your family's future on.

You know what the number one worst fear is?

It's the Fear of FAILURE and **FEAR of LETTING YOUR FAMILY DOWN.** Not your Parents, but your significant other and children who are counting on you to provide for them.

I have much to share with you and this is a condensed report. I promised you answers to your questions.

But in closing it would be smart for you to remember this

The MAP is NOT the TERRITORY.

It's a simple statement but profound in many ways when you realize that the MAP or THOUGHTS in your head, Is NOT what's REALLY out there in the REAL WORLD or in The TERRITORY!

In my live events I would do a light Induction or **Meditation and FORGIVENESS EXERCISE** where I would guide you to close your eyes and picture all of your family and friends one by one joining you on a stage and you have a small dialog with them and say "I forgive you, please forgive me too!"

I would incorporate the AKA or Energy Connection and have you fill them all with Love and Light. I learned this technique many years ago from a Family Charged with Secrets in Ancient Hawaiian HUNA.

It may sound Airy Fairy to you or like BS and that's fine.

I'll remember you said that as I climb onto a Gulfstream G550 Private Jet on the way to my next Business trip.

How can I use "The Rothschild Leveler Pattern?"

If you're brave & confident enough, do something like this on your own. Be still for a moment & Forgive and send love to everybody that you've ever known.

If you expect Abundance, Riches, and Money in this life, you might as well be deserving of it and be CONGRUENT.

We Live in a Powerful Universe. But I believe it will only UNLEASH the GOODIES if and WHEN you are READY. NEVER BEFORE!

Will This Work For Network Marketing?

Yes! It works for every single industry on the planet. It even works for the 2 tier Relationship Marketing Companies that sell expensive seminars & remind you on every ad that they're NOT MLM.

The Business Codex will work for them too. If they require Money to Operate! 😊

I could have easily given you 12 pages of “**How to Establish Business Credit**” or “**How to Raise Money Quickly for Your Business!**” **BORING!**

I really wanted you to know that the money is the easy part, when you know how and have my System. **It’s also NOT just about the Money!**

I also felt it was important for you to get to know me a little through ONE of my 37 Action Sequences. The Rothschild Leveler Pattern!

I’ve shown my students and clients how to follow their dreams in an easy to implement fashion. They’re successes have been wonderful to witness.

If you’re looking for a quick fix or a “Make Money Fast Scam,” don’t you dare visit me at <http://youbecomethebank.com>

I will get back with Jerry Chen and Film more Actual Business Training very soon.

However, if you are ready for a CORE TRANSFORMATION? Come and find out more about my Home Study Course that I’ll be revealing in the Summer of 2009.

That was my sales pitch. No Sales Pitch!

I DIDN’T want to do another Live Training Event or a Home Study Course.

But, My STUDENTS and OTHERS have pretty much begged me to help them and a “Do it Yourself Course” with Workbooks, AUDIOS, & DVD’s, just makes sense. I’m ONLY doing this because I understand the power of GIVING BACK.

Don’t even try to buy it in a few months because it WILL sell out very fast.

I will make a limited amount of “The Business Codex” Courses available because I don’t work with just anybody. **You have to be CONGRUENT and HAVE a REAL PASSION for LIFE.** It’s Not enough to have a Credit Card that will PROCESS. I don’t want your MONEY or NEED it. I’m looking to TRANSFORM LIVES. This is HARDCORE information that **I’m told SAVES LIVES in Business.**

In Closing, **Have you ever ordered a training course or a box of crap** on the internet that sits on your shelf because it's outdated material that doesn't work anymore or is just too boring to implement?

Or better yet, have you gone to a seminar that feeds your Primary Drivers for Survival at that moment and makes you feel good while you're there but leaves you feeling empty after the fact?

During the event you experience the Motivation, Good Loud Music, the Socializing, Lasers, the Success Stories on the Large Projection Screens, People Wearing Their Best Clothes, etc.

Did you ever feel like you wish they'd give you more training?

I have in the past.

The High Fiving Each Other, Group Massages, & the Concert Lights are just enough to make you FEEL successful but are NOT enough to make you successful in the real world. Out there you NEED someone to Hold Your Hand.

Out in the field you need a **Specific Step by Step Action Sequence!**

These are things that you can do to **Follow, Model, & Match** the most successful people on the planet. Pick your Mentors Wisely it is Mission Critical. Make sure your Mentor has ALREADY been to where you want to go. Let's do it!

You know they say that when a Mentor enters into your world...it will feel good, natural, and you will know in your heart that you can finally learn something from them that actually works for a change? I'll be looking to TRAIN COACHES soon!

I invite you to become a friend and say hello on Twitter & on Facebook. My Links are below on the next page. I invite your questions so please don't hesitate to reach out for help.

I do NOT operate from a GURU's Scarcity Mentality. It's all good over here!

I will train you for **FREE** by sending you Video Modules even if you don't get The Business Codex! Request more info at: <http://youbecomethebank.com>
